Mike,

Wanted you to see these letters from Representative Zinke regarding holding off on NPL Proposal on the CFAC site. Since this is a site assessment issue, I will be preparing some talking points for the RA to discuss these letter with the Governor's office. I will keep you informed on this issue.

Hi Rebecca,

Thanks for sending this to us, we appreciate it. I have attached above letters we sent out a few days ago to Governor Bullock and Administrator McCarthy regarding this decision -- just wanted to make sure it's on your radar.

Thank you,
Amanda
